

<p style="text-align: center;">EPINUP COMMUNITY MANGROVE CONSERVATION PROJECT</p>

COM-FSM, Chuuk campus
July 20, 2006 Thursday
10:00 a.m.

PURPOSE OF MEETING

1. Update on Action Items

THOSE PRESENT

Fr. Arthur Leger of Xavier High School
Mr. Sander Flaisek of Epinup Community
Mr. Dai Ichin of Epinup Community
Mr. Satosy Sato, Conservation Officer
Ms. Vanessa Konno Anisin of COM-FSM
Ms. Mary Rose Nakayama, local advisor

SUMMARY OF MEETING

Action Items

Mary Rose

- Produce draft job description for community conservation officers
- Obtain WIA application format from Olivier Wortel
- Meet with Romio Osiena, Director of Marine Resources, to submit letter of request to WIA
- Produce draft work plan for conservation activities

Vanessa

- Print out Epinup SGP concept paper to give Sander to present during Epinup Council Meeting for review
- Print out CCS SGP capacity building proposal to give Sander to present during Epinup Council Meeting for review
- Obtain WIA application support letters from partner organizations

Sander

- Provide names and educational background of community conservation officers
- Present proposals to Council

Fr. Arthur

- Pay out labor cost once names and social security number of workers is obtained

Discussions

- The remaining \$1,202.77 from the tank construction materials and supplies will be used to purchase paints and other needs for the tanks.
- Epinup community will resubmit costing of materials because of the change to more environmentally friendly materials.
- Epinup community will construct a local hut for conservation officers and visitors
- The \$9,000 for hiring and training of community conservation officers will be for training only. Salary will be paid out from WIA should applications be approved.
- Epinup community will consider a 'dedication of tanks' activity
